Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

VERIFIED STATEMENT AND PETITION

Claims 90 through 142 of the present application belong to elected Group I. The three originally named inventors were properly included in the application as originally filed. However, Donald A. Campbell and Donald J. Ward are the inventors of the claims in the elected Group.

It is hereby petitioned that the name of Raymond A. Blanchard, Jr. be deleted from the present application because he is not a co-inventor of the claims in Group I, but the names of the inventors Donald A. Campbell and Donald J. Ward should be retained.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,
